5/6 Cooking

We harvested vegetables from the garden to use in making pasta sauce and salad. We also made our own fettucine.

YUM! It was delicious.

Recipe for pasta is:
- 3 cups plain flour
- 4 eggs,

5/6 Cooked Vegetables

On Wednesday we went to our vegetable garden and found spinach, parsley, carrots, onions, coriander, peas and silver beet. We also weeded the garden beds. We used the vegetables in our delicious vegetable sauce.

Josh’s tasty salad dressing

Step 1: find the following ingredients: Apple cider vinegar, mild American mustard, balsamic vinegar, olive oil and a little water.

Step 2: mix a quarter of a cup of olive oil with all of the ingredients. Mix for a minute really fast.

Now you have a nice salad dressing.

On Wednesday the 9th November, 2016, students from grade 3, 4, 5 and 6 attended the combined schools Huon Channel Athletics Carnival at Huonville Oval. Our students represented Franklin Primary in the 100m, 200m, 400m, 800m, 1500m, 100m relay and shotput events. Despite the fierce competition Franklin Primary students managed to score places in many events and demonstrated excellent sportsmanship by cheering on and congratulating their team mates and their opponents. The kids relished their successes and represented the school in an outstanding fashion. Well done to all who attended and thankyou to all the parents who helped out. Thanks also to the Walford family for the donation of icy poles on such a hot day!
